One Day I'll have those wonderful letters before my name

Dr.

The title of Doctor of Medicine is one of the hardest earned of all those we strive for. And it carries with it a sense of pride and achievement not easily matched.

But to reach the top of the medical profession, to become not just a doctor, but a doctor who really makes a difference, you'll need to learn from the finest professors at the country's foremost medical institutions.

That's where Brilliant comes in. Our Postal Courses thoroughly and systematically prepare you to face the toughest Medical Entrance Tests. For years now, Over the last 50 + years Brilliant's students have been entering the hallowed portals of the best institutions - AIIMS, JIPMER, CMC, St.John's, AFMC etc.

Rich in theory and diverse in problems and exercises, Brilliant's courses are constantly updated to track the syllabus and testing patterns of almost all the Medical Entrance Tests. With their in- depth coverage, Postal Tests, Model Test Papers, mammoth Question Bank and the B.NET - Brilliant's online National Evaluation Tests for Medical Entrance, our courses for MBBS aspirants are so exhaustive that our students, as a rule, gravitate to the very top in NEET-UG.

Brilliant e-tutor: *And now, for the first time ever, Brilliant is proud to present a series of video lectures by the very same professors who have committed themselves to your success over the years. Over 175 hours of lectures, all designed to be in sync with the study material and uploaded at the same time as the corresponding module. Watch these lectures at your convenience without concern about having missed a live class.*

Choose only those topics you think will help you understand the subject better – so you pay only for what you need!

You can come back at any time for other lectures as you progress in your studies.

This is the first time in our 50 year history that we are offering this option because we believe it to be in our students' best interests. We hope you will take full benefit of this offer.

Additionally, in response to requests from several parents and students who wish to appear for both, the NEET and IIT-JEE, after the Class 12 Board Exams, we are pleased to you the option of also receiving our study material for Mathematics for the IIT-JEE Exam along with your study material in Physics, Chemistry and Biology for the NEET. We are offering this option because we believe it to be in our students' best interests. We hope you will take full benefit of this offer.

If you decide to exercise this option, you will receive the Mathematics study material at the same time as the NEET material, according to the dispatch schedule given below. You will also be eligible for the online Test Series for Mathematics that our IIT-JEE students will be administered.

Brilliant's Postal Courses. Dedicated to bringing out the best in you. To prepare you for the most important step on your journey towards becoming the doctor of your dreams.

With our very best wishes always,
The Management and Faculty
